Who we act for and when we are paid

When providing these products to you we are acting on behalf of our business partners and not as your agent. All commissions are paid to us by our business partners when you take out or use the product or service.

The Bank, as a mutual organisation, is bound to act in the interest of its Members. Our Members are our owners. We provide good value products and services to Members. We usually only have one provider of each product or service as set out in this FSG. Commission income and staff incentives are designed to serve Members by promoting Member satisfaction and commercial viability - they should never undermine the quality of the advice and service we provide.

OUR FEES AND OTHER REWARDS

We charge the service fees applicable to our products and services as set out in our Schedule of Fees and Charges brochure (available on our website, at our Service Centres and upon request).

We pay staff a salary and run incentive schemes linked to sales of insurance, loans or other products. Staff may then receive, as a small proportion of overall remuneration, a monthly bonus or an occasional non-monetary benefit such as a pre-paid holiday or gift voucher.

4. MEMBERSHIP

If you wish to open an account with us, you first need to become a Member of the Bank.

You may then apply to open Savings Accounts with us (either on your own or with others) and apply for our account products to assist you in banking with us.

We then consider your account and/or account product application and if approved, provide the account(s) and/or account product(s) to you. You must be a Member before we are able to do any banking business with you.

JOINT MEMBERSHIP

All new Memberships must be 'single'; i.e. in the name of one person.

If you want to have a joint account, each individual Member must join together with another Member to open a joint account.

Please note: all existing joint Memberships continue in the same manner as they did before these terms and conditions came into effect.

TRUST

Under a trust, a Membership is opened in your name but you hold the Membership account for someone else.

You can open any type of account in a trust Membership as a trust account.

The same terms and conditions apply to trust accounts as for other accounts.

When a trust Membership is opened:

- We need to see any supporting documentation (e.g. for a deceased estate, the will and death certificate);
- We may need to collect additional information about relevant parties (i.e. the trustee and the beneficiary);

CHILDREN

When you open any account for a child:

- We need to identify the child with appropriate identification;
- For children under 12 years of age, the account is opened in the child's name, however the adult concerned is the Authority to Operate and accepts responsibility for any legal issue that may arise due to the account being opened in the child's name, providing an indemnity;
- A child under 12 years of age cannot be issued with an access card to the account. Any card issued to the account would be in the name of the adult acting as Authority to Operate.

Identification

We must prove your identity when you open a new savings or investment account or become a signatory to an account. When

you join the Bank, we need to obtain documentary proof of your identity or a statement from an acceptable "Certifier" who has seen and verified your identification documents.

We must do this under the Anti Money Laundering and Counter Terrorism Financing Act (AML/CTF) to help prevent people from using the financial system for tax evasion, money laundering and terrorism financing. We support this nationwide effort to fight crime and will do everything we can to make these procedures as smooth as possible for Members.

Identity Checks

To prove your identity to the Bank you must supply the Bank with relevant identification documents. A list of the required documents can be obtained from the Bank. Member's personal information may be provided to a third party for the purpose of verifying your details to meet the compliance obligations under the AML/CTF Act legislative requirements.

Statement from Certifier

After sighting your required identification documents, an acceptable certifier can sign a statement to prove your identity. We will give you a form for this purpose.

Judges of a Court, Magistrates, Chief Executive Officer of a Commonwealth Court, a Notary Public, a Police Officer, an Agent of Australia Post, a permanent employee of Australia Post (with 2 or more years of continuous service), a Registrar or Deputy Registrar of a Court, a Justice of the Peace and a member of the Institute of Chartered Accountants in Australia, CPA Australia or the National Institute of Accountants with 2 or more years continuous service are all acceptable certifiers.

COMPANIES, ASSOCIATIONS AND CLUBS

Membership is open to organisations including:

- Companies;
- Incorporated associations;
- Social clubs.

Organisations can open most accounts, subject to these conditions:

- We need to identify the organisation and the individuals authorised to sign documents for the organisation;
- We need to see documents confirming the appointment of the individuals authorised to sign documents for the organisation.

Financial Difficulties

Always contact us promptly if you ever need help with a financial difficulty especially if you have an overdraft or a loan. We will always take reasonable steps to help Members who are finding it difficult to repay loans. We can look at options to reduce your payments or extend your loan term. The earlier you contact us, the sooner we can help.

5. GENERAL TERMS AND CONDITIONS FOR SAVINGS ACCOUNTS, INVESTMENT ACCOUNTS AND PAYMENT SERVICES

5.1 AUTHORISED SIGNATORIES

General

You can authorise a person to operate your accounts. This person is your “authorised signatory”.

The authorised signatory or signatories to the account can act fully and effectively in all dealings, matters and transactions in respect of the account(s) except the application for a loan; or credit facility or a redraw from a loan account.

A signatory has the authority to do the following:

- Carry out withdrawals on the account, for any purpose, including signing cheques;
- Make enquiries about account balances and transactions on the account, including any debit balance or available credit on a transactional (Continuing Credit Facility) account.

A signatory DOES NOT have the authority to:

- Change any of the signatory authorisations on the account;
- Give a 3rd party access or authority to operate on the account;
- Make enquiries about loan account balances or available credit on a loan account (except for transactional Continuing Credit Facility accounts);
- Change contact details for the owner of the account, including the mailing address for statements, or close the account.

Appointing an Authorised Signatory

For you to appoint an authorised signatory you need to:

- Read these terms and conditions and related brochures;
- Complete the application form;
- Both you and the authorised signatory read and sign the declaration on the application form;
- Give the completed and signed application form to us;
- Give us your authorised signatory’s identification documents to satisfy the legal requirements we may have to comply with.

You are liable to pay for (or to repay) any credit provided to any person authorised to operate on your account(s). Your account(s) will be debited with all transactions made on your account by a person authorised to operate on your account(s). Accordingly, you are responsible for all these transactions as if you had made them yourself.

Terminating the appointment of your authorised signatory

An Authority to Operate will operate until we receive written notice of cancellation or notice of death of the person granting the authority and that notice has been processed by us. Notice of cancellation must be signed by all surviving account holders. We may require a new Authority to Operate before we allow further operation on the account.

If there is a dispute notified to us about an Authority to Operate or the owner of an account, we may refuse to allow operation of the account until all parties concerned have signed the necessary authority. We are not liable for any loss or damage caused by any delay in processing a cancellation of an Authority to Operate.

Any cards issued as an additional card holder should be returned for cancellation or written instruction by you to cancel the card. You must arrange to cancel all regular payment arrangements and standing authorities with merchants operating on the additional card. Failure to do this could result in your liability for any use.

5.2 JOINT ACCOUNTS

General

If you open a joint account:

- The credit balance of a joint account is held jointly by all account holders;
- Each account holder has the right to all of the balance, jointly with the other account holders;
- A joint account holder may only make a withdrawal on the terms of any authority to operate on the account;
- If there is any dispute between joint account holders, we may decide to only permit operation on the account when all parties have signed the necessary authority;
- If a joint account holder dies, the remaining account holder holds the credit balance and if more than one, those remaining account holders hold the credit balance jointly;
- Each joint account holder is liable for the whole of any debit balance on the account;
- We can sue all or any account holder(s) for an amount owing on the account.

Reduced Fees Program

The first named Member in a joint account application will be the primary joint account holder. Every other Member in the joint account will be a secondary joint account holder.

The Reduced Fees Program are assessed on a calendar monthly basis. Individual and primary joint account holders qualify for the Reduced Fees Program where the combined balances of all savings, investments and drawn loans within the one membership only are kept over \$5,000 for the whole calendar

Financial Services Guide

month. Secondary joint account holders qualify for the Reduced Fees Program for transactions on the joint S1 account or where the combined balances of any of your individual accounts are kept over \$5,000 for the whole calendar month.

Transactions conducted using the Visa Credit Card do not count towards the Reduced Fees Program. The Reduced Fees Program do not apply to fees for ATM balance inquiries, Visa Cash advances, overseas ATM withdrawals or any drawn loan balance from a Police Bank AMS securitised mortgage, Equity Maximiser Loans, Leasing account, Online SuperSaver balance, Police Value Home Loans or Customs Value Home Loans approved before 1st July 2011. For more information about the Reduced Fees Program, please see our Schedule of Fees & Charges.

How to open a Joint Account

Where you wish to open an account with us, together with another Member or Members, you will need to:

- Ensure that everyone who is to be an account holder in the joint account is a Member of the Bank;
- Where anyone is not a Member, then that person will need to complete a Membership application form before you may proceed to open a joint account;
- Read and have the other Members read these Terms and Conditions and the related brochures;
- Choose who is to be the primary joint account holder. All other joint account holders are secondary joint account holders. You need to choose carefully as the balance of your joint account benefits only the primary joint account holder when we determine the Reduced Fees Program;
- Complete the application form;
- Consider when completing the application form the operational status of the joint account i.e., if all of you need to sign our transaction documents, or that one of two or more signatures only are required. Please note that if you require more than one signature on a joint account transaction document, then we will not be able to provide you with some of our products e.g., Visa Card, Redicard, Redidial;
- Read and sign and have the other Members read and sign the Declaration on the application form;
- Submit the completed and signed application form to us;
- If you or the other Members have not already done so, give us your or the other Members' identification documents to satisfy the legal requirements we may have to comply with;
- If you or the other Members have not already done so, give us your or the other Members' tax file number, if you or the other Members do not want us to deduct withholding tax from any interest earned on what you or the other Members have deposited in the joint account;

- Select any of the account products.

Operational Status of Joint Accounts

When you open your joint account, you choose the operational status for that account, such as:

- Only one person is required to sign our transaction documents;
- If there are more than two joint account holders, a minimum number of persons required to sign our transaction documents;
- All joint account holders are required to sign our transaction documents.

Any changes to the operational status of a joint account are subject to limitations, which arise due to certain account products you hold with the joint account. For example, we are not able to change the operational status where in a joint account there are several cards issued, until the cards are returned to us, or they become non-operational through written confirmation from our card operator that no transactions can be carried out on those cards.

Online SuperSaver Accounts

You must apply on-line for this account. For joint Memberships, any individual joint Member can accept the terms and conditions on behalf of all joint Members. Once the "I/We accept" button is clicked in the internet banking system, the FSG is binding on all joint Members.

Changes to your Account Details

For any change you will need to complete the Membership and Product Application form or the Change of Personal Details form. On receipt of the completed form we will check our records and clarify the current operational status of the joint account, and amend the account(s) accordingly.

You may deposit money with us in these ways:

- Over the counter at one of our Service Centres;
- By post to one of our Service Centres;

Financial Services Guide

Visit our Service Centre

When you visit us at a Service Centre you will complete our deposit form and, when the transaction has been completed by us, you will receive a receipt.

Deposit by post

We recommend that you use the option to send us a deposit by post as a last resort, where the other options are not available to you.

We are only responsible for the deposit when it has been received by us.

We further recommend the post option chosen by you should be one where Australia Post can confirm we have received your letter and deposit.

We recommend that you should check with us after putting the deposit in the post to confirm that we have received and processed your deposit.

You must never send cash through the post, and only send crossed cheques/money orders of small amounts in the post to us.

If you do not have one of our deposit slips, then we will need, in addition to your cheque/money order, a letter in clear and precise terms instructing us where to deposit your cheque/money order. Without the deposit slip or letter, we will not be able to process your deposit.

We do not send you a receipt for the deposit by post and the first document you will receive from us acknowledging your deposit will be the next statement we issue to you after that deposit.

Deposit Using Bank@Post

Make deposits into your S1 account using Bank@Post, a service available at over 3,300 Australian Post Branches. A daily deposit limit of \$200,000 applies. Cheques made out in joint names will not be accepted for deposit through Bank@Post.

Direct Credit

This is an arrangement with a direct credit supplier, who deposits money into your account with us by electronic transfer.

We do not have control over that deposit and we do not provide a receipt, when the deposit has been made by the direct credit supplier.

We recommend that you check with us to confirm the direct credit supplier has made the deposit to your account when anticipated by you.

If the deposit has not been made, you will need to talk to the direct credit supplier.

The first document you will receive from us acknowledging the direct credit supplier's deposit will be the next statement we issue to you after that deposit.

Internet Banking deposit

We normally issue you with an electronic receipt for the transaction.

We advise you that special Terms and Conditions apply to your Internet Banking, so we recommend you visit our website www.policebank.com.au (for Customs Bank details refer to back page) and become familiar with those Terms and Conditions and our Internet Banking procedures.

Unintended Recipient

Where it is established that a credit transfer has been processed to your account, and we are notified that a mistaken payment has been made to your account, we may freeze the amount in question until we are satisfied that there has been no error.

Redial deposit

When you have access to your account(s) through our Telephone Banking service, Redial, it is possible for you to transfer money between your accounts within the same Membership with us using Redial.

We normally issue you with an electronic receipt for the transaction.

We advise you that Access Methods Terms and Conditions apply to your Telephone Banking through Redial. We recommend that if you do not have those Terms and Conditions, please call us on 131 728 and have us send you a copy.

ATM deposit

Where there is an Automatic Teller Machine (ATM) which accepts deposits to your S1 account, you may complete a deposit package and complete the deposit in accordance with the directions from the ATM.

We recommend that you should check with us after putting the deposit into the ATM to confirm that we have received and processed your deposit.

We do not send you a receipt for the ATM deposit. The first document you receive from us acknowledging your deposit will be the next statement we issue to you after that deposit.

Types of Deposits and their Availability to You

There are three ways to deposit money with us:

- Cash;
- Cheque;
- Electronic transfer.

Cash

When you deposit cash in your account with us at one of our Service Centres, that deposit is available for withdrawal immediately after we have processed that deposit.

Financial Services Guide

Cheque - Australian Cheques

When you deposit money in your account with us by way of cheque, then prior to us accepting the cheque we will need to:

- Check that you are the payee nominated in the cheque.
- If you are not the payee nominated in the cheque, then we will need to review the cheque and determine whether or not we will accept the cheque for deposit of the amount stated in that cheque into your account with us.

We will have one of our Managers look at any assignment of the cheque from the nominated payee to you and in that situation, we will need to be satisfied that:

- The cheque is capable of being assigned, that is, it must be an 'or bearer' cheque;
- The nominated payee has actually signed the assignment on the cheque. If we are not satisfied with the assignment of the cheque, then we will not accept the cheque for deposit of the amount stated in that cheque into your account with us;
- The cheque has been properly dated and signed;
- That the amount stated in the cheque is the same in words and numbers;
- We will not accept post dated cheques (i.e. a cheque dated after the date it is deposited); or stale cheques (i.e. a cheque that is more than 12 months old on the date it is deposited);
- If we are not satisfied with any aspect of how the cheque has been completed, then we will not accept the cheque for deposit of the amount stated in that cheque into your account with us.

Where we are not satisfied we will return the cheque to you with a recommendation that you take it back to the drawer or assignor of the cheque.

Where we are satisfied with the cheque, we will:

- Note the deposit of the cheque with us in your account;
- Note in your account that the proceeds of the cheque is not available until the cheque has cleared, which for other than ATM deposits, is normally for 4 working days after the date of initial deposit of the cheque with us. For ATM deposits cheques are not cleared for a period of 8 days after deposit at the ATM;
- Advise you that the amount stated in the cheque will not be available for withdrawal until the cheque has cleared and that the clearance time is normally 4 working days after the date of the initial deposit of the cheque with us. Cheques deposited via Bank@Post will be cleared after 7 working days;
- When the cheque has cleared, we will remove the restriction on withdrawal of the amount stated in the cheque from your account. We do not notify you of the removal of that restriction;

- Where the cheque is not cleared and we are told that the amount stated in the cheque will not be paid to us, we will show that cheque as dishonoured in your account. We will then notify you that the cheque has been dishonoured and recommend that you talk to the drawer, or assignor of the cheque.

When a cheque is dishonoured we charge a fee for that dishonour and that fee is debited from the account the cheque was deposited into. We refer you to our Schedule of Fees and Charges for the amount of the fee.

When we refer to a cheque being cleared we mean that:

- The cheque you have provided to us has been processed through the banking system;
- The amount stated in that cheque has been provided to us by the bank named in that cheque;
- We have paid that amount to your account, which enables us to remove the restriction on you withdrawing part or all of that amount.

Overseas Cheques

The procedure for processing Australian cheques applies subject to the following variations:

- We consult our bank whether they will accept the cheque and provide a currency conversion or require the cheque be processed through the international banking system before currency conversion;
- If our bank accepts the cheque when presented by us, they will convert the cheque to Australian currency. Subject to clearance of the cheque we then deposit that amount of Australian currency to your account. If the cheque is dishonoured and there has been a variation in the currency conversion rate, you will be liable for any loss incurred by us and our bank due to that variation and any dishonour fee associated with the cheque;
- If our bank does not accept the cheque when presented by us, they will have the cheque processed through the international banking system. When the cheque has been cleared, our bank will receive the value on the cheque, convert that value to Australian currency and we then credit your account with the amount in Australian currency.

The minimum clearance times for overseas cheques are:

- Where the cheque is accepted by our bank, 42 days;
- Where the cheque is not accepted by our bank, the time varies depending upon a number of factors, including the country of the bank the cheque is drawn on.

Electronic Transfer

You may deposit money into your account with us by electronic means, for example through our Internet Banking system.

Where you have carried out an electronic transfer into

Financial Services Guide

your account, the funds from that transfer are available for withdrawal as soon as the transaction has been completed through the electronic banking system.

As we do not have control over other financial institutions, we are not able to advise you of the time it will take to complete the electronic transfer.

We recommend that you check your account after the electronic transfer to confirm the completion of the transaction and the availability of the funds from that electronic transfer for any other purpose you may have.

5.4 MAKING WITHDRAWALS

There are three main ways to withdraw money from us:

- Cash;
- Cheque;
- Electronic transfer (see 'Making Payments').

Cash

When you have money available in your account, you may come to one of our Service Centres and withdraw:

- Up to \$2,000 in cash per day;
- Over \$2,000 by prior arrangement;
- Maximum \$50,000;
- Amounts over \$25,000 incur a cash handling fee (see Schedule of Fees and Charges brochure).

When withdrawing cash from an ATM and EFTPOS, withdrawal limits may apply and you will ordinarily only be able to withdraw \$1,000 a day.

Cheque

There are two types of cheques:

- Your own cheque where you have a chequing facility with us;
- Our counter cheques.

Your Cheque

With your own cheque, you must ensure that there is sufficient money in your S1 account to meet the cheque when it is presented to us for payment by the Financial Institution of the person to whom you wrote the cheque.

When you write out a cheque, you need to ensure:

- You have completed the payee and amount details correctly;
- You have dated the cheque (if you date it in the future, the payee is unable to bank it until that time);
- You have elected the negotiable limitation on the cheque and marked the cheque correctly;
- Whether the cheque is to be a "bearer" cheque or not. If not you need to delete the word on the cheque;

- Whether the cheque is to be an “account payee only” cheque or not. If so, you need to add those words after the name of the payee;
- Whether you want the cheque only to be negotiated through a financial institution. If so, cross the cheque with two diagonal lines and write inside those lines the words “not negotiable”;
- Whether the cheque is to be open and negotiable by the holder of the cheque. If so, leave “bearer” on the cheque and do not cross it.

You need to be careful with your choice as to the negotiable limitation of the cheque. If you wish to pay a particular person or company by your own cheque, it is normally better to limit the negotiability of the cheque by making the cheque “account payee only” and crossing it and marking it “not negotiable”.

If you are not careful the cheque may be used for a purpose contrary to your original intention, which may result in you losing money.

We are not responsible to you if you do not properly complete a cheque, your cheque is negotiated and then paid by us in accordance with how you had completed the cheque.

When you pay by your “account payee only - not negotiable” cheque:

- You complete the cheque and hand it to the payee;
- The payee deposits it with their Financial Institution;
- The payee Financial Institution calls on us to pay your cheque;
- We pay the payee’s Financial Institution the amount set out in your cheque providing there are sufficient funds to meet that cheque in your account.

We advise you that Access Methods Terms and Conditions apply to your member chequing facility. We recommend that if you do not have those Terms and Conditions, call us on 131 728 and have us send you a copy.

Stop Payment - Member Cheques

It is only possible to stop payment on your cheque up to the time it is presented to us for payment.

If you want to stop payment on a cheque you have drawn, you need to:

- Telephone us on 131 728 and notify us of all the details;
- Send us a written request to stop payment on the cheque, setting out all the details of the cheque.

Your telephone direction will alert us to look out for the cheque but we are unable to process a stop payment without a written direction from you.

Providing we receive your written direction prior to the cheque being presented to us for payment and us paying on that cheque, then we will stop payment.

Financial Services Guide

You will be responsible to the payee for the stop payment.

We will not be responsible to you if your direction arrives after we have paid on the cheque as presented to us.

Insufficient Funds - Cheques

If you do not have enough money in your S1 account and/or credit in your Credit Overdraft when you use a cheque to pay for any goods or services, then in the absence of you making an arrangement with us either:

- We will dishonour the cheque which means we will not pay the amount stated in the cheque to your payee's financial institution. The person or company who you paid by cheque are therefore still owed the amount. There is also a fee for the dishonour of a cheque and that fee will be debited to your S1 account;
- We will pay the amount stated in the cheque and we will exercise our right to combine accounts and use money in another of your accounts to pay the amount.

The choice is ours and we will not be responsible to you for any loss you incur if we choose to dishonour your cheque due to you not having enough money in your S1 account and/or credit in your Credit Overdraft.

You should ensure that before you complete a cheque and provide it to a person or company for payment of a good or service that you have sufficient money in your S1 account and/or Credit Overdraft to meet that cheque.

Corporate Cheques

You can also withdraw funds by the way of corporate cheque. We make out the cheque to a third party nominated by you. We may charge you a fee for a corporate cheque. Refer to our Schedule of Fees & Charges for details.

Counter Cheque Withdrawals - Stop Payment

It is only possible to stop payment on a corporate cheque up to the time it is presented to us for payment.

If you want to stop payment on a cheque you need to:

- Telephone us on 131 728 and notify us of all the details;
- Send us a written request to stop payment on the cheque, setting out all the details of the cheque;
- Provide written consent from the cheque payee.

Your telephone direction will alert us to look out for the cheque but we are unable to process a stop payment without a written direction from you.

We will forward a form to you for completion. You must complete the form before the stop payment can be processed. You will be responsible to the payee for the stop payment. We will not be responsible to you if your direction arrives after we have paid on the cheque as presented to us.

Withdrawing or Transferring funds from an Account

You may withdraw money you have with us in these ways:

- By visiting one of our Service Centres;
- By Bank@Post;
- By post to one of our Service Centres;
- By email or facsimile direction to one of our Service Centres;
- Through an ATM which accepts our cards;
- By a payment service;

- By BPAY transfer from your account.

Visit to our Service Centre

When you visit us at a Service Centre, you will complete a withdrawal form.

When you present us with the withdrawal form, we will need to see photo identification. We need to confirm that the signature on the withdrawal form is your signature.

Your withdrawal may be refused, if you:

- Are withdrawing a large amount from your account;
- Do not have photo identification; or
- We are not satisfied with the photo identification provided.

Normally, we require you to personally attend if there is to be a withdrawal from your account at one of our Service Centres.

If you are not able to personally attend, it is possible for you to authorise a person to attend one of our Service Centres with a completed withdrawal form but if you are not personally attending then:

- We need to see identification documents for you and your authorised person;
- We will retrieve a copy of your signature to confirm that the signature on the withdrawal form is your signature;
- We may telephone you to confirm the withdrawal, before we proceed and if we are not satisfied with the withdrawal form, the identification documents or we are unable to call you, then we will not process the withdrawal.

You should ensure you are available for us to call you if we need to when your withdrawal form is presented by your authorised person to one of our Service Centres.

Withdrawal using Bank@Post

Withdraw up to \$1,000 per day from your S1, S11, S28 or S14 account using the Bank@Post service available at over 3,300 Australia Post branches. Refer to our Schedule of Fees & Charges for details.

Financial Services Guide

Funds transfer by post, facsimile or email direction

If you want to transfer funds from your account by post, facsimile or email direction, you need to send us a document that has the following:

- Your name, Membership and account numbers;
- The amount you wish to withdraw;
- The BSB, account number and account name to whom the amount is to be paid;
- Your signature.

To protect your funds, we will contact you by phone to confirm the transaction in order to verify the authenticity of your requested transfer.

A fee may be charged for the transaction, in accordance with the 'Schedule of Fees and Charges'.

ATM/EFTPOS withdrawal

Where there is an Automatic Teller Machine (ATM) or Electronic Funds Transfer Point of Sale facility (EFTPOS) which accepts your Visa Card or Redicard, you may use the machine to withdraw from your S1, S11, S14 or S28 account with us. A daily limit of \$1000 applies per card.

You will normally have an option as to whether or not you want to receive an acknowledgement of the withdrawal from the ATM.

We do not send an acknowledgement for the withdrawal.

The first document you receive from us acknowledging your ATM withdrawal will be the next statement we issue to you after that withdrawal.

5.5 MAKING PAYMENTS

Our Payment Facilities are not available to all Members. Payment Facilities are not available to accounts where more than one signature is required to operate the account, unless all signatories have signed the application form. Payment facilities are not available to all children:

- Not available to children under 12;
- Parental consent required for children between 12 and up to 16.

If you have any questions about Payment Facilities please telephone us on 131 728 and talk to a Member Services Officer.

Payment Services

This is an arrangement where at your direction a sum of money is transferred from your account to a third party. There are four forms of withdrawal payment service:

- Periodical payment – instruction for the Bank to send funds on your behalf on a regular basis;
- Direct transfer – instruction for the Bank to send funds on your behalf on request;

- Direct debit – third party draws against a savings account on a regular basis (i.e. you have provided our BSB and your account number details);
- Regular payments – third party draws against a visa card linked to an account on a regular basis (i.e. you have provided your visa card details).

We have control over the periodical payment and direct transfer. We do not control the direct debit or regular payment as it is lodged with the third party and that third party manages the withdrawal from your account.

We recommend that you check to confirm with us and the third party, the periodical payment, direct transfer, direct debit or regular payment has been processed.

We do not issue you with any written confirmation of a periodical payment, direct transfer, regular payment or direct debit.

The first document acknowledging the periodical payment, direct transfer, direct debit or regular payment will be the next statement we issue to you after that periodical payment, direct transfer or direct debit.

Payment Order - If you request more than one periodical payment, direct debit or regular payment, we will determine the order in which they are paid.

Stop Payments - To stop or alter a periodical payment, direct debit or regular payment, you must provide either written instructions, phone us or visit a Service Centre. We will require full details of the periodical payment, direct debit or regular payment at least (3) business days before the next payment is to be made.

Care: if you have multiple payments / policies with the supplier, then an instruction to cancel the payment by the Bank will cancel all payments made to that supplier (e.g.) Car insurance, home insurance and contents – so it may be more effective to cancel the single policy with the supplier.

You must also instruct any direct debit or regular payment supplier to stop the payment without delay.

Note: Cancellation of a direct debit or regular payment does not cancel any contract arrangement between you and the supplier.

Future Dated Electronic Transactions - Future dated electronic transactions will be processed on the closest working day prior to the weekend or public holiday. Electronic transactions conducted on a weekend or public holiday will be processed on the closest working day after the weekend or public holiday.

You must also instruct any direct debit or regular payment supplier to stop the payment without delay.

Insufficient Funds - should there be insufficient funds to meet your Periodic Payment due date, the Bank will attempt to make the payment for the next 4 consecutive business days. If there are still insufficient funds, the payment will reject. That is - the payment will not be made.

Financial Services Guide

Should the payment be rejected on 4 separate occasions, the Payment Authority will automatically cancel.

Missed Payments and Cancellation - We may decide not to make a periodical payment or direct debit if there are not sufficient cleared funds in the account at the time and on the date for the transfer of money. From time to time we may allow you to overdraw your account(s). We have no obligation to do so. If we decide to make a payment because there are not enough cleared funds in an account, or if we decide to make a payment and overdraw the account, we may charge a fee. Please refer to our Schedule of Fees & Charges Brochure.

Internet Banking transfer

When you have access to your account(s) through our Internet Banking service it is possible for you to transfer money between your own Bank accounts and externally to other financial institutions.

We normally issue you with an electronic acknowledgement for the transaction. The first document you will receive from us receipting your transaction will be the next statement we issue to you after the transaction.

We advise you that separate Terms and Conditions apply to your Internet Banking, so we recommend you visit our website www.policebank.com.au (for Customs Bank details refer to back page) and become familiar with those Terms and Conditions and our Internet Banking procedure.

Redidial transfer

When you have access to your account(s) through our Telephone Banking service, Redidial, it is possible for you to transfer money between your accounts (within the same Membership) with us using your phone and Redidial.

We normally issue you with an electronic acknowledgement for the transaction. The first document you will receive from us receipting your transaction will be the next statement we issue to you after the Redidial transaction.

We advise you that separate Terms and Conditions apply to your Telephone Banking through Redidial, so we recommend that if you do not have those Terms and Conditions, call us on 131 728 and have us send you a copy.

BPAY

This is where you are able to arrange for a withdrawal from your account with us to directly pay bills.

Your ability to pay your bill through BPAY depends on whether or not the party whose bill you are paying is on the BPAY system.

Unless you are completing a BPAY transaction through Internet Banking or Redidial where an electronic acknowledgement for the transaction will issue to you, we do not send you a receipt for a BPAY transaction. The first document you will receive from us receipting your transaction will be the next statement we issue to you after the BPAY transaction.

Electronic Transactions

Insufficient Funds

The main forms of electronic transactions from your account are:

- ATM;
- EFTPOS;
- Payment services;
- Internet Banking;
- Redial Telephone Banking;
- BPAY;
- Bank@Post.

If you do not have enough money in your S1 account and/or credit in your Credit Facility when you try to transact electronically to pay for a good or service, then in the absence of you making an arrangement with us either:

- We will not process the electronic transaction, which means we will not pay the amount stated in the electronic transfer to your payee's bank. The person or company who you paid by electronic transfer are therefore still owed the amount;
- We will pay the amount stated in the electronic transaction but your account and/or Credit Facility will be overdrawn and either we will exercise our right to combine accounts and use money in another of your accounts to pay the overdrawn amount; or your account will be referred to our Collections Department to recover the overdrawn amount.

The choice is ours and we will not be responsible to you for any loss you incur if we choose to not process the electronic transfer due to you not having enough money in your account and/or credit in your Credit Facility.

You should ensure that you have sufficient money in your account and/or credit in your Credit Facility before you try to do an electronic transfer.

5.6 PAYMENT ORDER TO LOANS

Where your payment order (Payroll Deduction or Periodic Payment Authority) is to make payments to a nominated loan account held with the Bank, the amount deducted by us from your payroll or from your nominated deposit account will be adjusted to ensure that it is sufficient to meet the minimum repayment required under each loan contract.

5.7 ABOUT YOUR ACCOUNTS - OVERDRAWING, ACCOUNT STATEMENTS, PAYMENT AUTHORITY/ ACCOUNT COMBINATION AND ACCOUNT CLOSURE

Overdrawing your Account

We do not agree to provide any credit in relation to your account.

Financial Services Guide

You agree not to overdraw your account unless you have an Overdraft. You may apply for an Overdraft on your S1 Account which will be subject to the Terms and Conditions of an Overdraft credit contract. We may, at our discretion, honour a cheque, periodical payment, direct debit, Visa or other transaction. If your account becomes overdrawn for any reason, immediate repayment is required. We may charge you a fee and interest on the overdrawn amount at our overdraft interest rate as well as any reasonable legal fees we incur in obtaining the amount from you.

Statements of Account

We will send you statements outlining the transactions on your accounts at regular intervals.

Your statement will include the following information:

- Your Member number;
- Accounts within your Membership;
- Owners of the accounts;
- All debit and credit transactions on your accounts, including all payment service transactions, Internet Banking and Redial transactions;
- The opening and closing balances for your accounts (the balances at the start and end of the statement period), and all the changes to the balances in your accounts between the opening and closing balances, which record the impact of your debit and credit transactions on your accounts.

You should always check your statements when you receive them from us to:

- Confirm the opening balances on your accounts are the same as the closing balances on your last statement;
- Check all the transactions on your accounts are correct.

If you do not agree with any details on a statement, you need to call us on 131 728 and talk to one of our Member Services Officers.

If you are a joint account holder living at the same address as another joint account holder of the same account, we will only send one statement of account to that address. If joint account holders live at different addresses notified to us, on request we will send a statement to up to 2 different addresses.

Depending upon what types of accounts you have with us, we will set out the frequency of the statements. At a minimum we will send you four statements a year.

If you have a Continuing Credit Contract, cheque book or Visa Credit Card with us, then you will receive statements every month. It is possible to have us provide you with statements more often than you may be currently receiving them.

If you want more frequent statements, then call us on 131 728 and speak to one of our Member Services Officers.

If you feel we have missed sending you a statement or you need a copy of a statement we have already sent you, then call us on

131 728 and speak to one of our Member Services Officers.

Fees and charges may apply for additional statements. Please read our Schedule of Fees and Charges.

If your statement is returned to us as “returned mail” we reserve the right to not forward statements to you until a new address is provided.

Payment Authority / Account Combination

You authorise us to debit any of your Bank savings accounts to meet a payment due on any accounts whether the payments is owed to the Bank or another party. We will make every effort to complete payments for you but we have no obligation to do so.

We may also combine accounts when you owe us a sum of money after you overdraw an account or fail to remedy a default under a credit contract (e.g. loan or overdraft). In these circumstances, we are entitled to immediate repayment of the debt. We will combine accounts by withdrawing an amount from any account with a credit balance sufficient to pay the amount you owe us.

If you have any questions about payment authorities or combining accounts, call us on 131 728 and speak to one of our Collections Officers.

Account Closure

You are entitled at any time to close your account and/or apply to terminate your Membership with us. We may close any of your savings accounts even though the account may have a credit balance. We will give you reasonable notice before doing so and will repay any credit balance. Any Redicard, Visa Card or other access instrument authorised for use on your accounts must be returned to us unless it is authorised for use on another person’s account.

General

If you wish to close an account or terminate a Membership, then you will need to:

- Contact us and obtain the account closure form;
- Complete and sign the form and return it to us;
- If you are closing an account, provide us with sufficient funds to bring the account to zero if that account is overdrawn or subject to a Credit Overdraft;
- If you are terminating your Membership, provide us with sufficient funds to bring all your savings accounts to zero and repay in full all loans you have with us;
- Return all access/credit cards and unused cheques.

On receipt of these items, we will then process your application.

Special Circumstances

In the event of a death or family law settlement, accounts need to be closed and money in those accounts transferred to new accounts, you will need to:

Financial Services Guide

- Notify us in writing and provide us with appropriate documents i.e. Death Certificate, Will, Grant of Probate, Family Law Agreement or Orders, to confirm your position to deal with a Membership and/or account;
- When you do not hold a Membership and account in your own name complete all the documentation required to become a Member and open an account;
- Provide us with written instructions on what we are to do with the money held in the account to be closed.

On receipt of your documents, we will:

- Close the account and terminate the Membership;
- Where necessary, open a new Membership and account;
- Transfer the money from the closed account to the new account, or if no new account is to be opened provide you with a cheque in favour of the party directed by you.

We follow this procedure, as it is not possible to transfer Memberships. We therefore must close a Membership and, where appropriate, open a new Membership and account, and then transfer the money from the account in the closed Membership to the account in the new Membership.

8. FINANCIAL HARDSHIP ASSISTANCE

We focus on making sure we lend responsibly, but we understand that your circumstances can change due to factors such as a change in your employment status. We have always attempted to provide mortgage/loan relief options to our Members and will continue to do so. In fact this approach has been part of the way that we do business with our Members since inception of the Bank.

The Bank will always be open to discussing with Members in financial difficulty the best options available. Working with you we can make an assessment of how best to assist you and your family based on your ability to meet the obligations of your loan. This is the high standard of the service we have always applied.

The Bank will work with your authorised representative should you prefer a third party to assist you to work through your financial situation. This may be a family member or language interpreter or more formally - a tax agent, solicitor, power of attorney or a financial counsellor. There is an authority to nominate a representative on the Request for Financial Assistance Form.

Any Member wishing to discuss their current financial circumstances should ring our Assistance Centre on 131 728 or your nearest Service Centre.
